

Product Information

FOOD GRADE MINERAL OIL SPRAY

NSF H1 Registered...meets FDA 21 CFR specs for incidental contact with food

12 oz. net wt can
(16oz can size)

Food Grade Mineral Oil Spray is an NSF H1 registered light duty lubricant that protects and lubricates Food Processing and Packaging machinery and parts. It is a 100% pure white mineral oil that is odorless and tasteless. Clearco Food Grade Mineral Oil Spray meets specifications for FDA, and is authorized for use by the USDA.

Food Grade Mineral Oil Spray is registered with the NSF Nonfood Compound Registration Program, a continuation of the USDA product and listings program, which is based on meeting regulatory requirements including FDA 21 CFR for appropriate use, ingredient and labeling.

This product is acceptable as a lubricant with incidental food contact (H1) for use I and around food processing areas. Such compounds may be used on food processing equipment as a protective anti-rust film, as a release agent for gaskets and seals of tank enclosures, and as a lubricant for machine parts and equipment in locations in which there is a potential exposure of the lubricated part to food.
